

Atty. Dkt. No: 068904-0507

CONCLUSION

Applicant believes that it has responded fully to the requirement for election of species. The Examiner is reminded that an election of species is a starting point for searching and that if no prior art is found, the Examiner is required to expand the search to encompass other species until all species have been examined.

Favorable consideration of the application is respectfully requested.

Respectfully submitted,

Date April 7, 2005
